

Meet Your Summiteers Tutor

Summiteers is created and delivered by the Adventures in Spanish team, bringing together expert language teaching, authentic Hispanic culture and a passion for helping young people become confident Spanish speakers.

Our A-Level Spanish tutor will be an experienced Spanish educator with a strong understanding of the AQA A-Level Spanish specification, advanced language teaching and exam preparation.

They will support students throughout their A-Level journey, helping them to:

- ✓ Develop sophisticated spoken and written Spanish
- ✓ Master advanced grammar and vocabulary
- ✓ Build confidence in exam techniques
- ✓ Analyse Hispanic literature, film and culture
- ✓ Prepare effectively for the AQA speaking examination

As with all Adventures in Spanish courses, students benefit from small-group teaching, personalised support and a learning environment where curiosity, discussion and real communication are at the heart of every lesson.
